Subject: RE: Florida Sunshine Law Request: Florida police data (Gainesville Police Department)
Attachments: MuckRock.xlsx

Due to the information being provided in response to items 1, 2, 5 – 8 being large in size, I have copied these files onto a CD for mailing to the address given by you. As for items 2 and 3, there were 467 civilian complaints filed between 2013-2018 and 37 were sustained (see breakdown below). It is estimated that it will take at least 8 hours to convert the 467 civilian complaints from paper to a PDF format. Depending on the size of the 37 sustained cases, it could take approximately 4 or 5 additional hours to review these files for possible redaction. Due to your request requiring extensive labor, we are charging an advance payment of \$128 (8 hours of labor at an hourly rate of \$16) which must be paid prior to the commencement of any work pertaining to items 3 and 4 of your request. Florida Statute 119.07(4)(d) authorizes the imposition of a special service charge when the nature or volume of public records to be inspected is such as to require extensive use of information technology resources, or extensive clerical or supervisory assistance, or both. Your check or money order must be made payable to the "City of Gainesville" and mailed with the attached invoice to the following address: Gainesville Police Department, Attention: Reggie Wilson in Records Division, 545 NW 8th Avenue, Gainesville, FL 32601. Once your advance payment has been received and production of your request is completed, you will be informed of the final costs associated with your request. Please acknowledge receipt of this email.
